

DUDL Volunteer Incentive Program 19-20

Hello!

We're so glad that you are interested in volunteering for the DUDL 2019-20 season. Consistent volunteering is a great way to build relationships with students, as you will often have the opportunity to judge the same students multiple times throughout the season, witnessing their growth, and contributing to their speech and debate education.

Volunteering as an Individual

In an effort to get better consistency, we are instituting the following reward programs for our consistent volunteers. To qualify, you must be a volunteer who judges at least one (1) round per tournament.

Achievement Level	Reward
1 Tournament	Enriching the lives of young debaters!
2 Tournaments	DUDL wrist band
4 Tournaments	"Superstar" Judge Distinction
All 6 Tournaments	Honored at end-of-year celebration

Volunteering as a Group

Volunteering with your company or organization can be a great way to build a sense of community between your group and underserved youth in our area. If you are interested in having your group volunteer at one, or multiple tournaments throughout the year,

please contact dudlvolunteers@gmail.com. You will most likely become what we refer to as a “volunteer captain,” meaning that you are responsible for recruiting your team mates to volunteer and will serve as a point person for them. It does not, however, mean that you need to make yourself an expert at the DUDL! We have plenty of volunteers that would be willing to conduct judge trainings at your organization or provide informational materials where needed. We have also instituted the following reward program for organizations that consistently bring teams of volunteers to judge at our tournaments.

Achievement Level	Reward
1 Tournament	Group name on volunteer nametags
3 Tournaments	Certificate of Honor
All 6 tournaments	Honored at end-of-year celebration
Bring the most volunteers to the most tournaments	Special Feature at next year’s gala, plus a mention on our website and socials!
